

VISIONING

Developing the BIG PICTURE

HR Anexi helps leaders articulate an aspirational state for the organisation and work toward achieving alignment where purpose, strategy, goals, and objectives strengthen each other for a transformational journey.

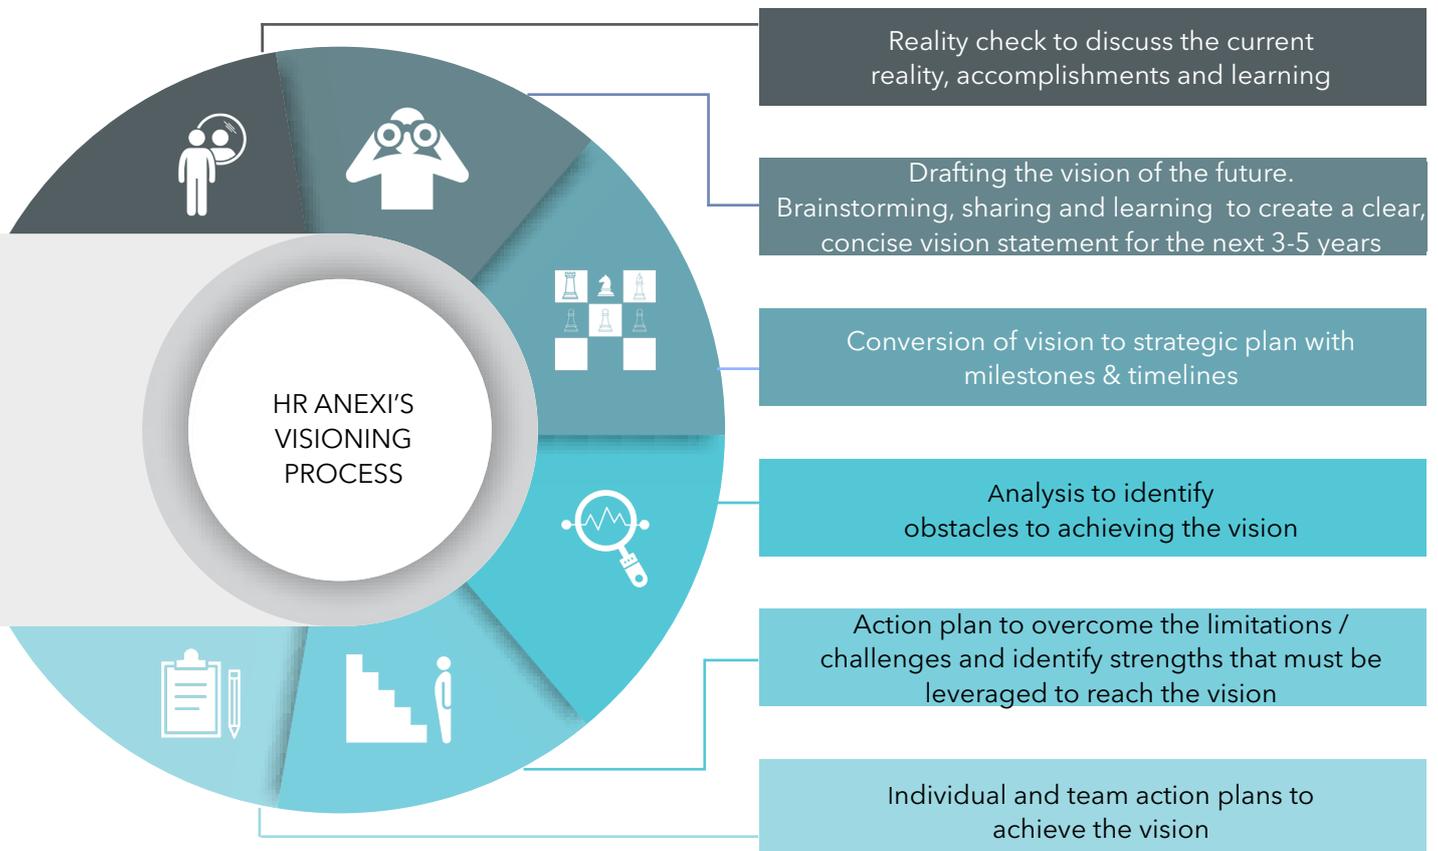

POWERING ORGANIZATIONS. EMPOWERING PEOPLE.

HR Anexi's approach is a highly engaging process that supports breakthrough thinking resulting in vision, strategy and action plans.

While preserving the best practices of traditional planning, HR Anexi adds big-picture thinking with creative activities that force conversations around the organization's environment, current situation, the vision of a future state and action plans for implementing the strategic vision.

HR Anexi designs, facilitates and implements a Visioning process that is tailored to your needs and sense of urgency. Our consultants are skilled in group-process design and consensus-building facilitation to enable leaders to build a shared vision of their organization.

Our visioning workshop uses the experiential methodology and peer feedback that helps in co-creating a culture of continuous learning and improvement.

HR Anexi's approach to strategic visioning helps leaders and business owners articulate their desired future maintaining a fine balance between the cultural and market realities of the organisation.

HR Anexi's consultants customize a range of initiatives and actions to drive an organisation's performance and growth.

*We have tested and proven methodologies and expertise to help family- run businesses build organization alignment, develop capabilities, improve performance and productivity, strengthen culture and leadership. Sustained business success comes with the application of the **HR ANEXI'S WHEEL OF TRANSFORMATION**. It is a holistic model that combines an understanding of business, management and family dynamics.*
